

ARIZONA DEPARTMENT OF REVENUE – RESIDENTIAL RENTAL

Transaction Privilege Tax (TPT) Workshop for Property Managers

In-Person Workshop Information

The Arizona Department of Revenue is cordially inviting you to attend one of our scheduled Transaction Privilege Tax (TPT) Workshops for Property Managers (PMCs). Our workshops will highlight the TPT electronic filing program in place for PMCs in 2018.

Starting with the January 2018 filing period, the new Residential Rental Bulk Upload Program will improve the TPT filing process by allowing PMCs to file and pay transaction privilege tax on behalf of their clients using the new electronic filing program. PMCs can now begin licensing to participate in the new program.

For convenience, ADOR has two TPT Workshop sessions you can choose from (see below) to learn about this important program that emphasizes the agency's commitment to providing taxpayers with an enhanced customer service experience. Please make sure to bring your tickets and devices.
